

永 [wing / wing⁵]

Forever | Eternity | Timelessness

Food is a universal language. Through the language of “Chinese x French” here at VEA, I want to share with you, not only cooking techniques I’ve learned, but also a reflection of the culture I grew up in, as this is a heritage that I am most proud of. From the beginning of your menu, until the very last bite, we will present you a series of courses that will all have a connection to Hong Kong. This could mean an indigenous Chinese ingredient that has yet to meet western cooking techniques, locally sourced produce, or simply a distinct childhood memory. The Chinese character in my name, “Wing” – meaning “always” – drives me to follow my dreams and purpose. Welcome to VEA, this is our story.
